Boarding Check-in Date: _____ Check-out Date: _____

Emergency phone number: _____

Please provide a number where we can reach you in case of an emergency with your pet.

Please choose an option below should injury or circumstance warrant the need for emergency service:

- Treat my pet as needed, there is no monetary limit.
- Treat my pet up to a limit of \$_____ and then call me.
- Examine my pet (exam fee applies) and call me before treatment.
- Contact me at the emergency phone number above. I understand if I cannot be reached, my pet will not receive treatment.

What flea and tick medication is given to this pet? _____

Pets found to have intestinal parasites or fleas will be treated with appropriate medications and the cost will be added to your account.

Please initial that you understand the following policies regarding boarding:

_____ I understand that I cannot pick up my pet on holidays or after business hours for any reason.

_____ Pets must be current on vaccinations and tests according to our protocol. Any necessary services can be performed at the time of admission. If we cannot verify the status of vaccinations or testing, services will be performed at your expense – this will also include a physical exam to ensure your pet is healthy enough to receive vaccinations.

_____ I will be charged for each night my pet stays for boarding, including days after the expected check-out date. Prepayment of boarding is required for the expected number of nights my pet stays. Additional charge are due to be paid when my pet is picked up.

I verify the care instructions below are correct and accept responsibility for all charges as described above.
